

# Big Pot Kitchen Private Event Catering

Brochure 2025

At Big Pot Kitchen we understand that great catering is fundamental to your celebration.

With that in mind we are passionate about providing really delicious food, using the highest quality ingredients, meeting all dietary requirements, cooked and served with style.

From the moment you contact us we will work with you to plan the menu, service and style you would like for your event.

We have many years of experience in catering for events with larger numbers of guests (having catered for hundreds of events and many thousands of guests)– so you can be sure that you and your guests will not only be served delicious and plentiful food, but that the organisation of your celebration meal will also be on point.

It is very important to us that your celebration is our focus and for that reason we will only cater for one event on any day. This ensures that you receive our very high standards of cooking and service.

You can be reassured by our glowing testimonials that you will experience really delicious food and fabulous service.

So, if you are planning a celebration and looking for unique and high-quality catering, please contact us for more information.

# Big Pot Cooking

Our fabulous giant cauldrons are the only ones in the UK, ensuring your guests will enjoy a truly unique cooking and eating experience. Each pot is a metre wide and half a metre deep and can cater for up to 250 people, so they really are impressive and really need to be seen to be appreciated!

Big Pot cooking is a real skill and your guests will enjoy experiencing delicious rustic dishes cooked from scratch, using very high-quality ingredients, locally sourced where possible.

Once your dish is cooked, your guests come to the cauldron to be served their meal by the chef. Your meal will be complemented by our freshly made salads, served in huge bowls along with baskets of delicious bread and of course our scrumptious range of relishes and sauces.

Your guests will love coming to the pot for their meal, truly participating in the experience. We serve people very quickly and efficiently, so no one waits for long (in fact it is quicker than plated table service). If you have any veggie/vegan guests, we can cook a delicious dish in a smaller pot especially for them or the whole event can be vegetarian or vegan.

We cater a select number of public events throughout the year – food festivals and local shows, so please ask us where we will be, so that you can come and meet us and experience our Big Pot catering

# Big Pot Menu

## **Brittany style Cider Potatoes with hand-made Devon Sausages**

Our signature dish of baby potatoes, cooked with cold pressed rapeseed oil, onions, cider and mustard served with our BIG bespoke award-winning hand-made butcher's sausages made from local pork served with crusty bread and relishes

## **Jambalaya**

## Your Event

We are a small family company offering a bespoke and personal service for your event.

We personally run every event to make sure everything runs smoothly and is of the highest standard. This is of supreme importance to us so we only book one event on any particular day

We will personally cook and oversee all elements of the catering, running the service of the meal, as well as making sure that all the behind the scenes arrangements run perfectly, being flexible with our timings, linking with other suppliers and key staff or guests.

We have vast experience in delivering high quality catering and service at a wide range of events and use this experience to provide you with the service and quality you expect on your day – leaving you to enjoy it without a worry.

Please do not hesitate to ask if you have any questions at all about our catering and services.

*Please see below for how to get a quotation...*

### **Further Information and Getting a Quotation**

Once you have had a look through our brochure please get in touch with us  
If the date is free, we can discuss the Big Pot dish (es) you would like and services you  
require, after which we will send you an accurate quotation based on the following:

#### **Big Pots**

Our pots are seriously big – each cooking for between 70 and 250 guests, so we can cater for  
between 70 – 400. If your guests are mainly meat eaters we can cook one of our veggie/  
vegan options in a smaller pot for your veggie guests.

Let us know what dishes you would like. You don't have to make final decisions until a couple  
of months before your date, but this will help us give you an accurate quotation.

#### **Number of guests**

We understand that this will be approximate at this stage, but an approximate number will  
help us to provide a more accurate quotation.

#### **Service required/ format of meal**

Tell us the format of your meal (e.g wedding with seating plan or very informal/party)  
We will work out staffing required and add costs, based on the type of service required - so  
your quote will be fully inclusive.

#### **Plates and cutlery hire**

We serve your food on your choice of vintage china, palm leaf or white biodegradable plates  
with either stainless steel or wooden cutlery. Let us know your preference so we can include it  
in your quote. If you want to make arrangements to hire your own crockery and cutlery that is  
no problem, just let us know.

#### **Venue facilities / location**

We do not need additional kitchen equipment - just space, so no extra hire charges  
necessary, we just need to make sure that the logistics work for us.  
We charge travel costs based on the distance from us and the time taken to get to your  
venue.

#### **We do not charge VAT**

We ask for a small deposit to secure the date. Menus and numbers and balance payment  
need to be finalised one month before your date.

Please fill out the contact form on our website  
or email [info@bigpotkitchen.co.uk](mailto:info@bigpotkitchen.co.uk)  
phone 07497088885  
to see if your date is available

*We look forward to hearing from you!*

*Trevor and Jane*
